

# FELLRUNNER

Village Bus Limited

Serving the community since 1979.....

Mrs Lawson  
Clerk to Ainstable Parish Council

Dear Ms Lawson

I am writing to ask if the Parish Council would continue to support Fellrunner for another year. We have been most grateful for your donations/grants in the past and have put the money to good use, maintaining our lifeline service to rural communities across the Eden valley and beyond. The past year has of course been a year like no other with services suspended and a severe loss of income. Nonetheless Fellrunner has responded by offering a service that brought shopping to the villagers rather than taking the villagers shopping. Our efforts in this and over the past forty years were recognized in the announcement of the Queens Award for Voluntary Service a few months ago.

Fellrunner is again running a full timetable and we are doing all we can to provide the services your parishioners need. Usually at this time we quote the number of passengers from your parish that have used the service during the year and suggest a donation /grant based on this. With the service off the road for a long period this would have no meaning this year so we have based the calculation on the figures for the last full year before the pandemic.

Based on our record of 628 passenger journeys made in your Parish during the reference year, your donation at 35p/journey would be £219.80.

You can make a donation by cheque payable to 'The Fellrunner Village Bus Ltd' and send to the secretary at the address above or by pay by bank transfer to 40-36-10 account no 71381717.

Thank you very much for your past support and for considering our request again this year. We also hope you will do what you can to publicise the service in your parish and if there is anything we can to assist in this regard please let me know ([secretary.fellrunnerbus@outlook.com](mailto:secretary.fellrunnerbus@outlook.com) 07734 529432)

Yours sincerely

*Neil R Hannah*

Secretary, Fellrunner Village Bus Ltd
